Dear Sir/Madam

I would like an investigation in to what is going on in a case that i was extradited to Spain for 6 years ago, the case relates to Court No. 4 of Marbella, its regarding a case from 25 years ago, i have written to the Poder Judicial 25 years ago and recently sent an email to you with information. The original judge in my case was sent to prison, and i was falsely imprisoned and have Spanish legal documents that prove this.

22 years ago the Under Secretary of state intervened in my case and came to Madrid MI6 agents were used to investigate what went on and as a result i was released and the Judge in the case was dismissed and brought up on charges of corruption, we witnessed the corruption first hand and have physical proof of the corruption/crimes.

I want to know exactly who has been involved in this from start to end and i will be going to the newspapers and suing everybody involved. I want the fiscal and court number four arrested AGAIN!

Also any British MI6 Agents/Liaison officers or Police staff involved arresting and questioned in Spain. This is a massive miscarriage of justice and it has cost Spain millions to extradite me and will cost millions more in compensation, you need to arrest the people behind this and end my case NOW!

We will be seeking a public inquiry into the entire case in Spain and in the UK, bringing criminal prosecutions and seeking damages from everyone involved.

Please read the information below, i expect action at the highest level.

Estimado Señor / Madam i quiere una investigación sobre lo que está pasando en un caso que me fue extraditado a España para hace 6 años, el caso se refiere al Tribunal Nº 4 de Marbella, su relación con un caso de hace 25 años, tengo escrito al Poder Judicial hace 25 años y recientemente envió un correo electrónico a usted con información. El juez original en mi caso fue enviado a la cárcel, y me fue falsamente encarcelados y tienen documentos legales españolas que demuestran esto.

Hace 22 años, el subsecretario de Estado intervino en mi caso y llegó a agentes Madrid MI6 fueron utilizados para investigar lo que pasó, y como resultado me fue liberado y el juez en el caso fue desestimado y se crió bajo la acusación de corrupción, fuimos testigos la primera mano la corrupción y tiene prueba física de los delitos de corrupción /.

Quiero saber exactamente quién ha estado involucrado en esto desde el principio hasta el final y voy a ir a los periódicos y demandar a todos los involucrados. Quiero que el fiscal y el tribunal número cuatro arrestado de nuevo!

También los agentes del MI6 / Los funcionarios de enlace británicos o el personal de la Policía involucrados arrestar y cuestionado en España. Se trata de un aborto involuntario masivo de la

justicia y que le ha costado a España a millones me extraditar y costará millones más en concepto de indemnización, tiene que arrestar a la gente detrás de esto y terminar mi caso AHORA!

Vamos a ser la búsqueda de una investigación pública sobre todo el caso en España y en el Reino Unido, con lo que los procesos penales y la búsqueda de daños y perjuicios a todos los involucrados.

Por favor, lea la información adjunta, espero que la acción al más alto nivel.

Dear Mr Rajoy Brey

I write you on a grave and unjust matter regarding the Spanish Justice system.

Please read the enclosed documents that were sent to David Cameron and the FCO in the UK.

They point out a miscarriage of justice and severe corruption in the justice and police in Spain and the UK. I am asking you for a public enquiry to find out who is responsible for the huge waste of

money for my extradition to Spain and the ruining of my life and my family's life for a second time. The documents enclosed have been sent to several people and will be going to the media also, I want to know what you are going to do about this situation?

I will be taking legal action against everyone involved, this is your opportunity to do the right thing and clean up your country's justice system and give me back my life.

I am currently on bail in Spain, we live in the campo and have no address, please correspond through my UK address.

Kind Regards

Gary Owens
