

Gary Owens Media/Press Release: (The Ministry Of Justice Should facilitate this to get at the truth)

What I intend to say to the press is:

I want to know how the Spanish justice system can destroy my life, breaking its own laws with its legal representatives committing crimes to falsely imprison me and then destroy my life? If it were not for the fact that I was a public figure in the Heavy Rock business they would of got away with setting me up!

When i was arrested and first appeared in Marbella court in front of Dona Blanca (**please see Evidence Item 5**, writing of judge and possible finger prints) a clearly corrupt judge still working in the Spanish Justice system. She had a court functionary measure my feet, in open court, in front of everybody. She had all the carpets from the crime scene and there was footprints everywhere from the people that did the crime. I have size 40 or size 6 shoes, the people that committed the crime had much larger feet, she said in open court right then that i was not there and could not of been involved. I want anyone from that hearing to come forward including my interpreter! It would be useful if the court could help with this request.

I call for the police officer (studying to be a lawyer) from the Aresto Municipal Marbella who told me that judge Dona Blanca Esther Diaz and her husband police inspector Jimanez who was the chief investigating officer for the Marbella International Crime Squad part of Interpol (a miscarriage of justice in itself that they were married and also a point of inquiry as Interpol issued the EAW, who did that and we want every part of the paper trial relating to it), were planning to set me up for the crimes and the police officer did not agree or like it. He needs to come forward and speak the truth of what he knows, and explain in his own words why he let me escape from the Aresto Municipal in Marbella because he said they were setting me up. Also what exactly was said to him and by who. I ask this person to come forward for justice sake and expose this corrupt judge and her bent police husband, Spain deserves better. It would be useful if the court could help with this request.

I call for the Marbella Court number 4 functionary who was also imprisoned by the judge Dona Blanca to come forward and talk of how he knew the documents in my case were falsified by Dona Blanca and Inspector Jimanez. What else does he know about the goings on regarding this corrupt Judge and Senior Police official! It would be useful if the court could help with this request.

How can Dona Blanca be a Judge in Spain when we have proof she is a criminal? Who is covering this up? I call for her immediate dismissal from the justice system and her assets seized as compensation for what her and her husband have done to me. I would also call for all the justice system to be scrapped as not fit for purpose in its current form.

I call on the NCIS (National Criminal Intelligence Service)/MI6 Agent and the Norwegian Intelligence Agent who met me upon my release to come forward and explain where they got the information from that the person murdered was in fact a Norwegian Drug Trafficker, who was buying cocaine on the ta Del Sol and selling it through his night clubs in Norway.

Were they sent by Charles Formby from the Embassy? (**Evidence Item 4**) Charles Formby Writing & Fingerprint analysis, as i was already recruited to MI6 prior to leaving prison, as per my credentials established at the Royal Courts of Justice court hearings. (it can be verified by my Barrister Mark Summers).

I openly accuse the British Drug Mafia, the same British Drug Mafia that the British government don't want to admit exists. The same British Drug Mafia that uses Freemason lodges in Spain to coordinate and run the British Drug Mafia. I call for all decent people to stand up with me and destroy them and the perversion and corruption that surrounds them. Along with the seizing of all their assets for the Spanish Crown and for the Victims of the British Drug Mafia.

All British Freemasons should be outlawed in Spain, they are sucking the life blood out of the economy of Spain. I appeal to the Holy Catholic Church (and I will be doing so in Rome) and the Spanish Monarchy to act and stop this lunacy.

I point out the Masons are in fact running the British Drugs Mafia and are the same people that stole my Intellectual Property Right worth £4 Billion in the UK that led to the false extradition. The same people who killed the person in my case.

It was either the British Drugs Mafia as I was instructed by Dona Blanca (Judge) who told me she knew who they were, and she showed the files to me, my wife and my mother who have already testified in the Royal Courts of Justice in the UK to this effect.

The only reason they are still alive is corruption, they are paying everyone. The British Drug Mafia and Masons are strangling the life out of Spain and have been doing for decades; I think the Spanish people should be aware of what's going on in their own country.

30 years ago when this started I saw Spanish people selling Maracas and bulls from bull fights on the beaches. Today the Nigerian Mafia have 15,000 people selling false goods up and down the coast taking 15,000 Spanish jobs and raping the Spanish economy of all the tax these people should pay. Denying Spanish citizens the right to work. Add to this local shop owners trying to sell real goods and paying their bills while the same fake products are being sold all over the Spanish beaches by a Mafia! And why? So bent police officials can line their pockets in backhanders to let them do it.

Spain needs to wake up! Just exactly how many of these 15,000 people are radical Islamic? It's an incredibly delicate situation supported by a corrupt system endangering everyone in Spain except the people stealing the Spanish workers money. Shame on you all for what has happened to me, and shame on you all for not acting when your country is being colonised by criminals.

I Call for the seizing of the British Drug Mafia and Freemason assets as compensation to me and others who have had their lives ruined by these illegal operations. Taking countless jobs away from the Spanish communities. I also call for all illegal goods being sold by so called "lucky lucky men", who could be from Boca Haram for all we know! To be removed from Spain.

I call for a public enquiry into how Spain can waste millions of Euros of tax payers money on a false extradition, and spend 30 years destroying our lives for a case that there is zero evidence for. In fact it was the opposite, there is 100% proof I was not there.

The case was dreamt up from the start by corrupt members of the Spanish justice system. I have had no legal representation at any point. I have had my human rights violated in all but two sections of the European Human Rights act, that's 34 four out of 36 articles of the Human Rights act have been broken in my case,

IT DOES NOT GET ANY CLEARER.
